Partnerships Conference 2003 – Maintaining Momentum
Rottnest Lodge, Rottnest
Friday 17 and Saturday 18 October 2003

Conference Notification and Call for Papers

The fifth Partnerships Conference is convened by the Primary Care Mental Health Unit (UWA) and General Practice Divisions of Western Australia Ltd (GPDWA). The conference will examine ways to sustain the momentum in building partnerships between primary care and mental health services, with a specific focus on integrating consumers' physical and mental health care.

The conference programme provides a mix of keynote presentations; small group discussions and papers reporting work being conducted in the field.

The Conference Organising Committee invites abstracts for papers that focus on:

- Building partnerships between primary care and mental health related services;
- Integrating consumers' physical and mental health care.

Submission of abstracts

Send your abstract (no longer than 300 words) via email to ctoase@cyllene.uwa.edu.au

When preparing your abstract for your paper, please consider the theme *Maintaining Momentum*. Papers will be 15 minutes in length.

The deadline to submit your presentation summary is **Friday 25 July 2003**.

The Conference Organising Committee will review submitted abstracts.

You will be notified by 22 August 2003 whether your paper is chosen for the programme.

Presenters (one per paper) will receive complimentary registration (\$110 including GST) to the conference.

Bursaries for General Practitioners and Consumers

- General practitioner (GP) bursaries are available to Western Australian GPs upon application.
- Financial assistance is available to consumers and carers upon application.

Please contact Christine Toase on 9336 5555 for further information.
