

# call to action: youth mental health

Mental illness affects **1 in every 4** young people  
That's 160,000 young Victorians,  
but most will not receive any treatment

generating real responses to the hidden epidemic  
of youth mental health problems in Australia

So far the response to this crisis has been totally inadequate. If someone in your family or someone you know becomes unwell they probably will not receive treatment. This issue can no longer be ignored.
